OCG BANNED LIST

(Regeln & Infos speziell für das Turnier am 6. Juni 2015)

Weitere wichtige Regeln:

Erlaubt sind lediglich Karten, die im europäischen TCG-Raum erschienen sind, mit ihrem jeweils hier gültigen Kartentext (2 Ausnahmen siehe unten). Japanische oder koreanische Karten sind **nicht** erlaubt!

Außerdem dürfen die beiden folgenden Karten, die hier noch einen alten Kartentext haben, nur mit dem neuen, im OCG bereits gültigen Text gespielt werden (selbstverständlich dürfen die Karten mit dem alten Text gedruckt sein, aber nur der neue Effekttext wird verwendet!):

Chaos Emperor Dragon - Envoy of the End

Cannot be Normal Summoned/Set. Must be Special Summoned (from your hand) by banishing 1 LIGHT and 1 DARK monster from your Graveyard, and cannot be Special Summoned by other ways. During the turn you activate this card's effect, you cannot activate other effects. Once per turn: You can pay 1000 LP; send all cards on the field and in both players' hands to the Graveyard, then inflict 300 damage to your opponent for each of your opponent's cards sent by this effect.

Dark Magician of Chaos

During the End Phase, if this card was Normal or Special Summoned this turn: You can target 1 Spell Card in your Graveyard; add it to your hand. You can only use this effect of "Dark Magician of Chaos" once per turn. At the end of the Damage Calculation, if this card destroyed an opponent's monster by battle: Banish that monster. If this card would leave the field, banish it instead.

Die Liste ist auch zu finden unter:
